# Spring Fever Crystallizes On Campus

**NOW THAT** Outfly has come and gone, spring at Wartburg is beginning to look like a reasonable facsimile of spring at Wartburg. As far as celebrating is concerned — to each his own!

**THE DRY RUN** is again flooded, but with sunbathers instead of water. Wartburg coeds are taking on that Florida look.

Fred Miller, Grossmann Hall janitor, proudly displays outsized bermuda shorts, gift of the Grossmann guys. The suspenders are his own.

Fresh air and sunshine combine with German to give Dr. Katherine Love's Scientific German class a new complexion. A number of classes took advantage of the balmy weather to pull an inside out.

EDITORIALS—

# On Writing A Letter

It would seem that with student government elections just passed, unrest on the international scene and graduation rapidly approaching, some of you readers should have something to say about almost anything.

By studying past letters-to-the-editor, we are in a position to pass along some sage advice to anyone who might work up enough courage to write a letter.

**Probably the most fundamental rule to remember is to choose the subject wisely. This involves three requirements depending on the writer's motive.**

1.) If the writer's intention is to give his views concerning a recent campus controversy, he should be sure that he picks a subject about which he has less information than the paper. There is usually no problem here. This type of letter is usually signed with a pseudonym and ends up in the wastebasket.

2.) If the writer is trying to show that he is an intelligent reader, his subject should be a recent editorial. Alternative themes are: "you really hit the nail on the head" and "how stupid can you get?" This type is never signed with a pseudonym — in fact, during the year we never received a letter criticizing an editorial. This leaves us with a frightening feeling that we might be publishing a campus bible.

3.) The third theme is the homemade kind. The intention here is to arouse people to a crying need for reform. A greater demand for creativity is placed on the writer for he must invent the subject from personal grievance. Typical of this theme is "students-should-keep-their-two-feet-on-the-sidewalk, after-all-it's-a-rule" letter.

**Another basic rule to keep in mind is "be general." If there is anything that will confuse a reader, it is a concrete to-the-point letter.**

Some other simple rules:

Use cliches to make your writing more colorful.

Impress the reader by using two or three big or foreign words. (Many fine selections can be found in any dictionary.)

By following these simple suggestions, one can write a most interesting letter with little or no practice — and with little or no effort.

Or, doesn't anyone have anything to say?

---

All right, Wartburg men, don't give up the ship! So what if our women didn't win the Miss Waverly contest? They raked in all the positions on the Homecoming court.

---

Message to future alumni from college money solicitors: Don't forget us because we won't forget you.

---

There are so many roomers at Wartburg that we need an extra dorm to hold the ones that are spelled with a "u."

---

Wartburg students are so used to shelling out the money that they couldn't go to the free campus movie Outfly night with a clear conscience. They had to throw handfuls of pennies on the floor.

---

Hint to cafeteria eaters: Bury your meat in a sandwich; you don't have to look at it that way.

---

A word of warning to the Sophomore Class from the Junior Class: Don't bother becoming juniors; you'll go broke financing a banquet and prom.

---

One senior told a friend that he graduated June 7 from Wartburg and the friend innocently replied, "Oh, you're going to summer school then!"

# Oppie-Nine Vs Norskies There Today

## Beat Beavers Tues.

By Don Bathgate

Wartburg's baseball squad is in Decorah this afternoon to take on Luther College as the Knights continue their drive for the Iowa Conference Championship.

Coach Earnest Oppermann and his team will be out to revenge a 7-6 setback here earlier when the Norsemen tallied six runs in the ninth inning to win and disappoint the Senior Day crowd.

Lefty Jim Borcherding will be on the hill for the Knights with Al Exner behind the plate. The rest of the lineup will have Marv Ott at first, Terry Exner at second and Don Sowers at third.

**KERMIT URBAIN** will be handling the duties at shortstop with Arlyn Saathoff in left and Fred Mai in center. Oppermann is undecided as to who will be in right. Possibilities include Darrol Bauer, Roger Zehr, Don Lehman and Chuck Nichol.

Tuesday the Knights host Upper Iowa University. Oppermann stated that his starting pitcher for the game may rest on the outcome of the Luther game today. The rest of the lineup is expected to remain the same.

Borcherding led the Knights to a 6-2 victory over a powerful Buena Vista squad Tuesday. He struck out 11 men and collected two hits, a double and a single.

**BUENA VISTA** scored in the first inning when they collected two of their four hits. Truesdell led off with a single and Eddie followed with a sacrifice to move him to second. Baker tripled to score the first run and Grigsby flied to center to account for their second and final run.

The Knights scored three in the third when Borcherding walked and Sowers doubled. Ott got life on a fielders choice and everybody was safe, scoring one run. A wild pitch followed to score the second run. Mai then grounded to short to score the third run of the inning.

**WARTBURG** pushed another run across in the fourth when Al Exner singled and Terry Exner followed with a fielders choice. Chuck Nichol was hit by a pitched ball and Terry scored on another wild pitch to give the Knights a 4-2 lead.

Borcherding led off the ninth with a double followed by Urbain's single. On the following play Borcherding was picked off third as Urbain stole second. Sowers then connected for a long homerun to end the scoring and give Wartburg a 6-2 victory.

The Knights gathered nine hits off loser Ron Rumple, three going for extra bases. Wartburg's record now stands at 5-2.

## Golfers Fall To Norse

The Wartburg golf squad lost to Luther Wednesday by a 11-7 score. Low shooter was John Osbrink of Wartburg with a 76 over the par 70 Waverly golf course.

### WAA PLANNING HIKE

## 2 Winning Teams To Clash Monday

Grossmann III and the Clinton Tigers, the only two remaining undefeated teams, collide Monday afternoon in the intramural softball tournament.

Probable pitchers will be two juniors, Richard Kruger for Grossmann III and Corliss Klaassen for the Tigers. Both hurled 10-0 shutouts in last week's action. Kruger had a previous shutout to his credit, and Klaassen had picked up another decision.

**GROSSMANN III** behind Kruger toppled the Clinton Cubs 10-0. The Tigers behind Klaassen beat Cotta-Ketha by the same score in a three-inning contest, necessitated by a tie. Previously, the teams had battled to a 4-4 deadlock after nine frames.

In other games Lueder's team tipped Alpha 13-12 in a squeaker and then dropped a 7-3 game to the Tigers the same night. The Tigers rapped out three home runs against Lueder, two by sophomore Bill Wachholz. Both Lueder and the Tigers played two games in one night.

**THE ENGINEERS** and the Clinton Cards finished in a 15-15 stand-off after seven innings. The game was called because of darkness. Next Monday the two foes will tangle for three innings in a replay to determine the survivor in the tournament.

Besides the playoff and the Grossmann III-Tiger fray, Cotta-Ketha will face Alpha Monday with the loser being knocked out of the double-elimination tourney. By the end of the week four teams will have been ousted, if the weather stays good.

PLACE THIRD IN VIKING RELAYS

# Thinclads Test Luther Today

By Tom Kuckkahn

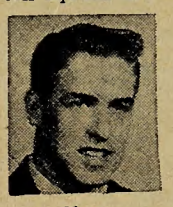
Wartburg track squad travels to Decorah today to engage the Luther College thinclaids in a dual meet.

Both schools, still unsure as to which one of them will possess the coveted ax next year, will be putting forth their best efforts in an attempt to emerge victorious and strengthen their chances of obtaining the trophy.

Last year Luther vanquished the Knights by a 76½-54½ score and the Norse appear even stronger this year. Last weekend the Norsemen showed their potency in the Viking Olympics at Rock Island, Ill. They finished a strong second amidst a field of ten highly touted Lutheran schools.

**Next Friday and Saturday, May 20-21, the Knights will again be in Decorah participating in the Iowa Conference meet. Last year they finished fourth with 33 6/7 points in the meet which was held in Schield Stadium.**

Dubuque and Luther appear to have the best chance of winning the meet for both squads are loaded with experienced talent and have been having an excessive amount of success this season.



Skay

The Knights placed third in the Viking Olympics last weekend the same spot they finished in the 1959 event.

Eddie Skay, outstanding junior dashman, broke the meet record in the 220 yard dash by .2 second. Eddie traveled the distance in 22.2 seconds.

The Knights again proved strong in the field events. Freshman Leonard Schmidt tied for fourth in the high jump with a leap of 6' 1". Gerald Buckler took fourth in the shot. Chuck Wallin, versatile weight man, placed second in the discus, his specialty and also took a fourth in the javelin throw. Skay left the ranks of the dashmen long enough to participate in the broad jump, in which he placed fourth.

Wallin

**Besides winning the 220 Skay also won second in the 100 yard dash. Fred Lichte, strong middle - distance man, took fourth in the 880 yard dash.**

John Niemeyer won fifth in the 120 high hurdles, and the mile relay team also placed fifth to complete the scoring for Wartburg.

The Knights lost their winning ways Tuesday afternoon at Winona, Minn., where Winona State downed them 89-42. John Niemeyer in the 220 low hurdles. Jerry Schara in the high jump and Chuck Wallin in the discus were the only first place winners for the Knights.

Freshman Marv Corporan and senior Jim Thomas, who have not been placing high in the final results so far this year, came through with improved performances in this meet. Marv placed third in the mile and two mile events and Jim posted a second place in the pole vault and third in the javelin throw.

## Racqueteers Play Central At Home

Wartburg tennis team tangles with Central in a meet here today.

Next Friday and Saturday the squad travels to Decorah for the conference tourney.

The netsters were at Decorah Tuesday where they fell before a tough Luther squad 8-1. Wartburg's only winner was the number three doubles team, Harold Olesen and Bob Dies, who took their match 6-3, 6-4. The duo were the only Wartburg winners the last time the two schools met.

In the singles matches, Larry Mugridge was defeated by Speed 6-2, 7-5. Dick Jebsen fell to Zimmer 7-5 and 6-2, and Ron Hart lost to Thorsen 6-2, 8-10, 7-5.

Dave Braunschweig was defeated by Simmering 6-2, 6-2, and Olesen bowed to Miller 6-4, 6-2. In the last singles match, Norden beat Dies 6-2, 6-1.

Playing doubles, the team of Hart-Jebsen lost to Speed-Berven 6-0, 6-2. Mugridge-Braunschweig fell to Zimmer-Simmering 6-1, 6-4.

## Tennis Takes To Table

**PREPARING FOR the annual ping pong tournament, freshman Bill Storm applies the paddle. The contest, which has three cash awards, begins Monday.**

**Approximately forty-five have signed up in the singles division, and there are about two dozen doubles entries. Pairings will be posted and competitors must work out their own times for playing, according to Ray Norheim, Student Union Council head.**

# IM Track Contest May 19 Sees Good Marks On Line

Tracksters will have some excellent marks to shoot at when the intramural track meet is held May 19.

Larry Niemann, IM chairman, said that there will be five teams arranged by housing units again this year. The teams will be Grossmann, Clinton, North Hall, off-campus houses and Waverly.

**SIGN-UP** sheets will probably go up next week, Niemann said. He also added that in addition to the 13 events held last year, there might be a football throw.

Three men hold six of the eleven individual records.

Chuck Wallin set two standards in the 1958 meet with a 38'11¼" heave in the shot and a 131' effort in the discus. Performing for the varsity now, Wallin set a school record in the discus last week with a toss seven feet more than the IM mark.

**THE OLDEST** records are held by Al Bahlmann in the distance events. In the 1952 meet Bahlmann set the 880-yard run mark of 2:16.1 and ran the mile in 5:03.5 for another record.

Chuck Fjeld, a senior this year, holds two dash marks. Last year he posted a 24.7 time in the 220-yard dash to set one of four records broken last year. In 1958 Fjeld set the 440-yard standard with a 56.4 record.

Lowell Junkman tied a record last year in the 100-yard dash set by Bill Bomhoff back in 1954. Both covered the distance in 10.7 seconds, the winning time in last week's varsity meet, to show that IM marks are nothing to sneeze at.

**ANOTHER MARK** set last year is owned by Tom Van Wyngarden in the 120-yard low hurdles. He had a 14.75 time to nip the old mark by .05 of a second.

The high jump standard was also set in 1958, a record producing year, by Charles Maahs with a 5'10" jump. Last year's winners were four inches shy of that height.

Another of the older records is a 19'10½ leap by Zenker in 1955 in the broad jump.

**A FAT MAN'S** (over 200 pounds) 100-yard dash mark was recorded for the first time last year. An 11.9 timing by Dick Brandt and Mel Schuldt top that division.

Two relays are held each year. The 440-yard relay record is 48.5, and the 88-yard mark is 1:43.2.

Last year's track contest, as upperclassmen may recall, finished in a tight race for both first and third. Clinton edged Off-campus 36-35 to take the team crown. The other teams struggled for third. Waverly took that spot with 21 points compared to Grossmann's 19.
